Self Introduction
Good morning / afternoon, sir/madam. I am Wong Suet Ching, Joyce. I am studying in Christian and Missionary Alliance Sun Kei Primary School. I am ten years old.

I have a happy family. There are five members in my family. They are my father, mother, grandmother, sister and I. My father and my mother are civil servants. I usually go swimming with my family members at the spare time.

My favourite food is chocolate, too. It is sweet. I like sweet food very much. My favourite book is ‘Our Crazy Class Election’. It is very interesting. I am good at Physical Education. I am also good at singing. Although I am good at music and sports but I am weak at Putonghua. I will try my best to improve my Putonghua. I will speak more Putonghua and read more Chinese books in Putonghua in my daily life.

I want to apply your school because this is a Christian secondary school. I love Jesus. Your school is famous too. Thank you for your kind attention. Have a nice day.
Good morning / afternoon, sir/madam. I am Lui Hoi Ching, Nicole. I am ten years old. I am studying in Christian and Missionary Alliance Sun Kei Primary School.

I have a warm and funny family. There are three members in my family. My father is an engineer. His hobbies are fishing and making models. My mother is a housewife. Her hobbies are reading books and making desserts. I usually play with my family members at the spare time. We always chat too!

I am good at English and Computer Studies but I am weak in Putonghua and Physical Education. I will try my best to improve my Putonghua such as speaking Putonghua and doing more exercise to improve my Physical Education skills. My favourite subject is Music because I like singing and listening some classical music. My favourite type of books is novel because reading novels is interesting. My favourite food is chocolates because they are sweet with a little bitter.

I want to apply your school because the reputation is good. The appearance of students is tidy and their academic results are good. It will be my pleasure if I study here. Thanks for your kind attention.
Good morning / afternoon, sir/madam. I am Yu Chun Yin. I am eleven years old. I am studying in Christian and Missionary Alliance Sun Kei Primary School.

I have a happy family. There are five members in my family. My father is a manager. He works in a company in China. My mother is the head teacher of a kindergarten. We usually play different kinds of sports such as badminton and table tennis at the spare time.

My favourite book is ‘The Absent Author’ because it is an interesting and exciting detective story. I am good at English but I am weak in Art. I will draw more pictures to improve my drawing skills.

I would like to apply for your school because its school activities will provide me an enjoyable school life. Its reputation is very good and there are many facilities.

At last, I would like to thank you for giving me an opportunity for this interview. Thank you for your kind attention.
Good morning/afternoon, sir/madam. I am Lui Kwun Hin. You can call me Andrew. Today, I would like to talk about myself. I am studying in Christian and Missionary Alliance Sun Kei Primary School.

I would introduce my lovely family. There are three members in my family. They are my father, mother and I. My father is a bookshop sales manager. My mother is a housewife. I usually play basketball with my family members at the spare time.

Let me share my strengths and weaknesses. I like thinking and contact with different things. But I was a shy boy, so I joined some different extracurricular activities. This can help me communicate with people. Now, I have the courage and confidence. My favorite subject is Computer studies. It is because Computer Studies is very useful and interesting.

There are two reasons I want to study here. First, your school is a Christian school that promotes the love of Jesus Christ. Second, I usually see your students in the streets. They are all very polite. I believe that your school is good in both the knowledge and behaviors.

At last, I really hope to study in your school. I would thank for your kind attention. Wish your school every success in future.
Good morning/afternoon, sir/madam. I am Shiu Tin Wai. You can call me Andy. Let me introduce myself. I am studying in C & MA Sun Kei Primary School.

Today I would like to talk about my kind family. There are four members in my family. They are my father, my mother and my sister. My father is a pastor. My mother is a laboratory technologist.

I think I am good at logical thinking. Mathematics and computer are my favourite subjects. I love reading scientific magazines. I also like playing “Go” this is a kind of Chinese chess. “Go” can train up my logical mind. I have joined the Hong Kong Children’s “Go” college. I was promoted from grade 30 to grade 13 in only half year.

I think honest and righteousness are very important. These two core values always upheld by your school. I heard great reputation about this. I really want to study in an environment like that. I know that your school has excellent results at Mathematics.

You have put a lot of resources in it. This will improve the standard of Mathematics lover like me. Your “Go” Club is also my desire club. I think your school is very suitable for me. I hope you can consider me as your school student who shares the same values as you.

Thank for your kind attention.
I am Lam Tsz Yan. You can call me Yan. I would like to talk about myself. My hobbies are reading and swimming. I study in C&MA Sun Kei Primary School.

I have a big family. They are my father, mother, brother and I. My father is an electrician. He works from nine o’clock to five o’clock. Although he is busy, he always buys food to me. My mother is a housewife. She gets up at six o’clock every day. It is because she has to make breakfast for my brother and me. We go to school later. My mother will do housework. It is clean. I usually go swimming with my family.

Let me share my strengths and weaknesses. I am good at sports so I always win. My English is not very good. Therefore, I try to read more books from the library. Now, I develop a good habit of reading. My favourite food is vegetables. It is because it is healthy.

There are two reasons I want to study here. First, the image of your school is good. Second, I may learn other languages, for example, Japanese. So I hope to study in your school. Thanks for your kind attention. Wish your school every success in the future. Have a nice day.
Good morning sir(madam). I am John Yeung. Today I would like to talk about myself. I study in Christian and Missionary Alliance Sun Kei Primary School. My hobbies are playing the violin, reading and swimming.

Let me tell you about my family first. There are three members in my family. My father, mother and me. My father works in a food company. He makes MSG. My mother is a housewife. She does housework hardly everyday so. I have to study hard and get letter results.

I would like to tell you about my strengths and weaknesses. My strength is playing the violin. I’ve passed grade 7. I am also good at Chinese, English and Putonghua. My weaknesses are Art and PF. My favourite subject is Chinese. Because we are Chinese and we should learn more about China .My favourite food are vegetables chicken, oranges and beef but I hate seafood. My favourite book is “The Lion, The witch and The wardrobe ”. Because this story is marvelous. I also like reading the magazines in China. I have contributed my writing to them too.

At last, I would like to tell you the two reasons that I want to apply this school. One is this school is very popular and the students and teachers are very good. Another one is my results are not bad and I am proper to study in this school.

Thank you for giving me a chance to have the interview. I hope you appreciate my interview. Thank you.
Good morning sir. I am Lau Siu Ching, Sherry. I would like to talk about myself. I am studying Christian and Missionary Alliance Sun Kei Primary School. My favorite subject is Music because it can make me relaxed. My hobby is reading and cycling because those can help me study better and a good health.

Let me talk about my family. I have two family members. They are my father and mother. In weekend I will go shopping with my family. It helps us to communicate with them.

I want to share something with you. I have a weakness. I am careless because my action is fast. I always remind myself about that.

There are two reasons that I want to study in your school. First, I like the school discipline of this middle school very much and enable me to put into and have a actiredy. Then, I like your course very much, especially Japan study, so I hope you study in this school.

Wish your school every success in the future.

Thank you!
Good afternoon, Sir/Madam. I am Yanni Ng. I have many hobbies. For example, I like playing the cello. I have attained Merit in the Cello Solo Junior in the 59th Hong Kong Schools Music Festival 2007. I have passed the grade 5 exam of the Royal Schools of Music with Merit to Cello also. I like reading too. I have finished a reading project with Bronze Awarded. I like helping others. I have received the Elder Brother and Sister Service Award and PE Helpers Award too. Learning is my hobby also because I think I will lose everything at last but not the knowledge, I can always keep it in my brain. So, I join the Training Program for Gifted and Talented and passed it with Certificate of Merit.

I love staying at home. It’s not because I’m lazy. It’s because I love my family. On Sundays, we’ll go to the church. On Saturdays, we will stay at home and have a family day. It’s fun. I have two family members, my father and my mother. My father is a programmer and my mother is a teacher. We love each other so much.

Now, I would like to talk about my strengths and weaknesses. May I... Thank you! I’m good at playing the cello and reading but I am weak in PE. My favorite subject is English and my favorite book is ‘Pride and Prejudice’. It’s a great book.

There are two reasons that I want to apply to this secondary school. First, the students who study in your school are very polite and good. I want to be that kind of student too and your teachers all are so professional. I can learn so many things here. Finally, thank you so much that you give me a chance to share with you. Thank you! Goodbye, Sir/Madam.
Good morning/afternoon, sir/madam. I am Chan Wan Yee, Agatha. I am ten years old. I live in Tseung Kwan O. I am studying in Christian and Missionary Alliance Sun Kei Primary School.

I have a happy family. There are four members in my family, including my father, my mother, my sister and me. My father is a postman. My mother is a secretary. My sister is a secondary school student. We usually go to the library together at the spare time.

I am good at playing table tennis. I have learnt playing table tennis for two years. However, I am not good at playing basketball, so I will practice basketball every Sunday. My favourite subject is English because English is fun and I can make friends from different countries.

I like English very much. Carmel Divine Grace Foundation Secondary School is the only secondary school in Tseung Kwan O, which uses English as the medium of instruction. Moreover, there is a Robot Club in this school. Students won many prizes in different competitions and I would like to join the club.

Finally, I hope I will be your student and thank you for giving me an interview.
Good morning/afternoon, sir/madam. I am going to introduce myself. My name is Aiden Kwan. I am studying in Sun Kei Primary School.

There are four members in my family. My father is a teacher. My mother is a housewife. We usually play Rummikub or read at the spare time.

Although I am not good at drawing, I am good at ice-skating and swimming. I like camping too. My favourite subjects are Mathematics and Science because I like to think about how things happen.

I want to apply to this school because it is a Christian school. It uses English as the medium of instruction. This will help me go to the university in future.

Thank you for giving me this chance to tell you about myself.
Good morning/afternoon, sir/madam. I am Vendy Chan. I am studying in Christian and Missionary Alliance Sun Kei Primary School.

I love my family very much. There are four family members in my family. My father is a manager and my mother is a housewife. I love them so much. I usually read and chat with my family members at the spare time.

Although I am not a perfect student, I will try my best to do better. I am good at drawing, singing and writing. My favourite subjects are Chinese, Visual Art and Music because I had good performance in the past. I think they are very interesting subjects too. My favourite hobby is reading because I think books are very interesting and exciting. I have started reading regularly for three years because I can learn things in books. I have a weakness too. Sometimes, I would talk to other classmates during lessons but I will learn to be more concentrated.

I want to apply to this secondary school because your teaching methods are very attractive and your school has a good reputation.

I hope I can be your student and learn in your school. Thank you for giving me a chance to share and tell more about myself.
Good morning/ afternoon, sir/ madam. I am Cheung Wan Hei. You can call me Jason. Now I would like to talk about myself. I am studying in C&MA Sun Kei Primary School. My school is big, there are many good teachers too. We can play table tennis, basketball, football and badminton. Sometimes I did wrong but teachers were nice to me. I love this school very much.

Let me talk about my lovely family. There are four family members. My father takes care of my sister and me. He is a good and hard-working. My mother is a nurse. She is kind and nice to everyone. My sister is a student of HKU Space. She is good at drawing, so she is a design student. She looks like a boy. She is slim to.

However, I have two strengths and weaknesses. I am good at drawing. I like drawing very much. I am weak in Chinese. In Primary 4, I just had 83 marks. But now, I have 86 marks. There is some improvement for me. My favourite subject is Maths, because Maths is interesting, we can solve the funny questions.

There are two reasons that I want to study in your school. First, my sister study in your school, she said there are different games. The teachers and the headmaster are nice and kind to the students. Second, I didn’t hear of any bad news about your school.

I really hope that I can study in this good school. I want to learn more in this school and study happily. Thank for your kind attention. Have a nice day!
Good morning, / afternoon, sir/ madam. I am Law Kwan In. You can call me Jessica. Now, I would like to talk about myself. I am studying in Christian and Missionary Alliance Sun Kei Primary School. Teachers make me know that Jesus Christ is the real God. Therefore, I am happy to study here.

Let me share about my family. There are five family members in my family. They are brother, mother, grandfather, grandmother and me. They are kind and friendly to me. I love my family very much. My mother is a clerk. She works in an office nine hours a day. My father is a driver. He always goes to China and stay there. I usually watch TV with my family at night at spare time.

Let me introduce my strengths and weaknesses. I am good at Maths and sports. My favourite subject is PE and Maths. I always play tennis and run because doing exercises can make me become healthy and stronger. I always get high marks in exam and tests. My favourite teacher is Miss Wong, because she makes my English better. Now I like English too. Besides, I would never waste the money. I sometimes play computer games, but I just play some profitable and beneficial games, so it can train up my mind.

There are two reasons of choosing your school. The first one is that your teachers use English to teach. I want to learn more English. The other one is that there are many activities, I want to join these activities, so I want to apply for your secondary school.

I hope I can meet you in your school again. Have a nice day.
6E  Cheung San Yu, Samuel

Good morning / afternoon, sir / madam. I am Cheung San Yu. You can call me Samuel. Now I would like to talk about myself.

I am studying in C.A.M.A Sun Kei Primary School. I like studying in this school because I can make some friends and play with them. We can play the sports games in big recess, we are happy.

Let me talk about my family members. They’re father, mother, sister and I. We are Christians. My father is a preach. He works in the church every day. He teaches the people to understand the bible and then he always help the people who need help. Mum is a housewife. She always teaches me how to do homework at home. At the spare time, we go hiking, shopping and sometimes have a one-day trip. There are exciting and fun.

Do you know my strengths and weaknesses? I am good at drawing, swimming and playing tennis. Sometimes, I draw the pictures with LEGO, like LEGO Sun Yat-Sen, The Wars or more. I’m weak in Maths. I often get low marks in the Maths test and exams, but I think I have to do more exercises so that I can have improvements in Maths.

There are two reasons why I want to choose C & MA Sun Kei Secondary School. The first reason is that I am a Christian, my parents hope me to study in Christian school too. The second reason is that my classmates want to study in C & MA Sun Kei Secondary School. I hope to join them together and keep our friendship forever.

The last, I hope I will have the good study in Sun Kei Secondary School. This is the end of my presentation. Have a nice day!
